

LOCKERS

WINE

All our architectural designs of self storage units provide a mix of storage unit sizes to maximise available space.

Wine Lockers are an excellent product to create smaller storage units to hold wine cases. This can be built in otherwise unused spaces, maximising your facility's income-generating capacity, and gives you the option to charge a premium price for storage.

FEATURES & BENEFITS

- Quick and easy to install on site
- Modular in design utilising small spaces
- Louvre doors to help with ventilation and circulate air flow

OTHER LOCKER OPTIONS

- Cube Lockers
- Manhattan Lockers

Sizes come as standard.

Custom designs are available upon request.
